

Device Registration

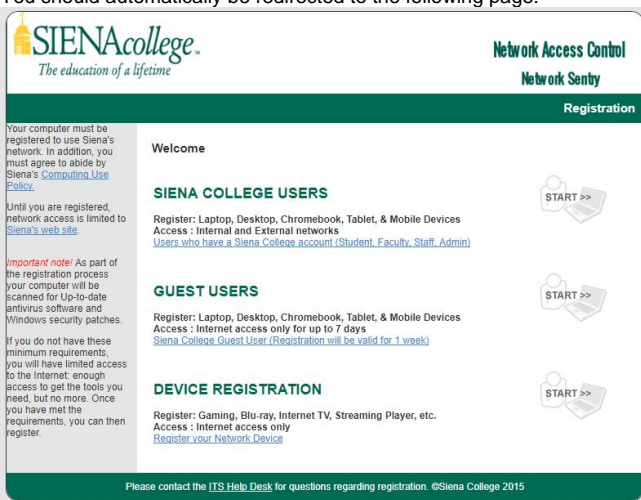

- Your computer must be registered to use Siena's network. In addition, you must agree to abide by [Siena's Computing Use Policy](#).
- Until you are registered, network access is limited to [Siena's web site](#), Apple.com, Google.com, Microsoft.com, and some antivirus providers so that you have access to software updates.
- *Important note!* As part of the registration process your computer will be scanned for [Up-to-date antivirus software](#) and Windows security patches.
- Windows comes with a free [anti-virus](#) program called Defender. If you are having trouble with 3rd party anti-virus software, please try using Defender.
- Devices that do not have a browser (ex. Gaming, Blu-ray, Smart TV's, etc.) will need to be manually registered

How do you register?

For devices that have internet browsers like Computers, Phones, Tablets, etc

1. Connect your device to a wired port or wireless connection on campus
2. Open the browser and try going to a website like cnn.com
3. You should automatically be redirected to the following page:

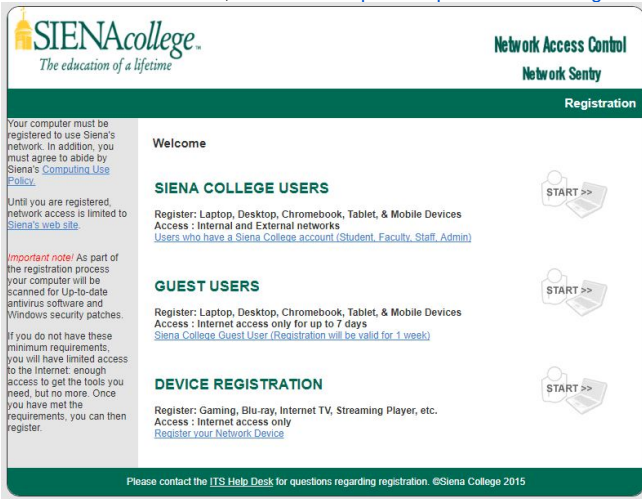

4. Follow the instructions on the registration portal

For gaming systems, blu-ray players, smart TV's, streaming players, etc

1. Connect your device to a wired port or wireless connection on campus
2. Find the [MAC address for your device](#)

3. From an internet browser, browse to: <https://campusr.siena.edu/registration/> which will bring you to the following page:

4. Follow the instructions on the registration portal

If you are still having trouble registering your device please [contact the Help Desk](#)
